## **Choose Kindness Week, May 7<sup>th</sup> – May 11<sup>th</sup>, 2018**

Mayor Ken Taylor has proclaimed the work week of May 7<sup>th</sup> through May 11<sup>th</sup> 2018 to be Choose Kindness Week in the town of Huachuca City.

The town joins with Huachuca City Elementary School to challenge residents, young and old, to recognize the value of respect, service and thoughtfulness and to engage in acts of kindness, not just throughout the week, but always.

The school will be having a variety of activities to encourage students to always choose kindness and be aware of how their actions affect others.

The Huachuca City Public Library will have “kindness” stations throughout week for both adults and children where people can engage in or learn about acts of kindness that benefit the entire community.

Although Choose Kindness is a week long event, we hope that the benefits will be long-lasting and help make our community a better, kinder, place to work and live.
