Press Release

July 16, 2018

### **Subject: Trash Ordinance**

Town Trash Regulations will be changing effective August 12, 2018.

Trash Ordinances 8.10.010, 8.10.020, 8.10.050 and 8.10.090 were amended with the following (*summarized*) points:

**8.10.010 Preparation of Refuse** - All trash placed in town-provided trash cans/receptacles must be in trash bags. There can be no loose trash in the can. The trash can lid must be fully closed with no protruding trash. Trash left outside the can will not be picked up for disposal; such trash will be the responsibility of the tenant or homeowner.

**8.10.020 Location for Pickup** - All trash cans must be placed so the trash truck can lift them without touching any other objects. Trash cans that cannot be safely lifted will not be emptied. It is the responsibility of the homeowner or tenant to properly place the can.

**8.10.030 Solid Waste Collection System** - All town residents are required to use the town trash service for their home or rental properties. (*Commercial businesses can select their own trash hauler.*)

**8.10.040 Disposal Site Rules and Regulation** – The only authorized location for dumping and depositing of trash, garbage or refuse within the town is the Huachuca City Landfill. Use of any other site within town limits is unlawful dumping.

The revised trash ordinances shall become law on August 12, 2018 and can be viewed online at:
