For Immediate Release

8 August, 2018

Potential Hazardous Material: 7 August, 2018

The Huachuca City Police Department (HCPD) is pleased to report the following information to the citizens of Huachuca City. The Department of Public Safety (DPS) Hazardous Material Team tested a sample of the unknown clear substance located at 310 Yuma Street in Huachuca City. This test of the sample was completed on 8-8-2018 at the Huachuca City Police Department (HCPD). The DPS Haz Mat Team reports that the substance was not a Hazardous Material and posed no risk to the public.

Special thanks to the Whetstone Fire District Chief Bidon and his team. Also thanks and praise goes out to the following contributing agencies. Sierra Vista Police Department for the use of their Mobile Command Post, the Cochise County Sheriff's Office Assist Team, The Red Cross, The Fort Huachuca Hazardous Material Team/Firefighters, AZ Rangers (Sierra Vista Chapter), Huachuca City Senior Center and Town Staff.

The responsibility of providing safety and security to all is an on-going mission for all Public Safety personnel. Thanks for your consideration and cooperation during these situations.

Thank you.

Chief James L. Thies
