Buena High School Automotive Center: 27 August, 2018

The Huachuca City Police Department (HCPD) is pleased to report the following to the citizens of Huachuca City and surrounding communities. Towards the end of 2017 the Arizona Rangers / Buena Automotive Center High School Students and HCPD arranged to have our 2007 Ford Crown Vic painted. The Arizona Rangers supplied the paint. Instructor Robert Bounds and his team of students provided the knowledge and elbow grease necessary to refurbish the vehicle. Upon completion of the paint job, HCPD supplied four new tires for the Crown Vic. This was a fantastic opportunity to reach out to our youth and let them make a difference. The Arizona Rangers now utilize a vehicle that is superior in appearance. HCPD was proud to support this endeavor with the students and AZ Rangers who support our Town of Huachuca City. The Staff, Students of Buena High School are but not limited to (no particular order):

Collision Instructor- Robert Bounds Technology Instructor- Alex Wolf

Kristen Mimms - Jessica Warren - Cassandra Bosley - Matthew Cox  
Matthew Swartzwelder - Aiden Tacey - Brandon Glaser

The responsibility of providing safety and security to all is an on-going mission for the Huachuca City Police Department personnel.

Thank you to Robert Bounds and his team, along with the continued support of our Arizona Rangers.

Thank you.
